

WE WANT YOU

Basilicon is looking for

- interns,
- junior/senior consultants,
- junior/senior analysts,
- IT analysts and/or developers,
- experts in the following fields of expertise: engineering, environment, IT, HR, banking & finance, medicine & pharma, biotechnologies, manufacturing,

to join our international team and make your knowledge work!

ABOUT BASILICON

Basilicon is a global-minded Central European boutique consulting firm. Basilicon was established in 2009 in London & Budapest, and since then grew to become a boutique consulting firm with international presence spreading around three continents, with its newest offices in New York & Shanghai. As a team of seasoned professionals, we align strategies and implement cutting-edge solutions for the desired outcome.

IDEAL CANDIDATES

We cherish our diversity in skills and fields of expertise, as well as candidate geography. We warmly welcome your application if you:

- have an excellent academic track record,
 - speak fluent English,
 - have just graduated (junior) or still studying (intern),
 - have 2-5 years of relevant professional experience, 5-10+ years to join as a senior,
 - have experience of working/studying abroad,
 - are an outstanding expert in your own field of expertise,
 - are intellectually curious,
 - are willing to travel,
 - work on cross-border projects,
-
- speaking languages other than English preferred, lesser spoken languages are an asset,
 - MBA, PhD, ACCA, CFA & professional certifications are an asset,
 - own research/interest in research an asset.

WHAT WE OFFER

Basilicon is an internationally renowned company where we want our colleagues to thrive and grow professionally and intellectually. We are a knowledge-based firm and encourage you to pursue a PhD or an MBA while working with us and want you to be curious about other fields while teaching others about yours. We offer you a competitive salary with friendly working hours, opportunity to travel and grow internationally.

Send us your CV to info@basilicon.co.uk and we will get back to you to arrange a personal or Skype interview, depending on your geography. Candidates from all around the globe are welcome.
